

SUMMER RESEARCH PROGRAM

JULY 4TH TO AUGUST 26TH

The **Summer Research Program** at the **Ecole Polytechnique Fédérale de Lausanne (EPFL)** in Switzerland offers intensive research training to undergraduate students interested in **life sciences**.

- **Gain hands-on research experience** in labs from one of our 4 institutes:
 - Brain Mind Institute*
 - Institute of Bioengineering*
 - Global Health Institute*
 - Swiss Institute for Experimental Cancer Research*
- **Improve** critical thinking skills, learn how to evaluate scientific information, design experiments, formulate ideas and test hypotheses.
- **Prepare** for a scientific career

Selection Criteria:

- Academic record
- Motivation letter
- 2 Letters of recommendation

ON-LINE APPLICATION DEADLINE:
FEBRUARY 15TH 2011
FELLOWSHIPS PROVIDED
