

“NANO2012”

XI International Conference  
on Nanostructured Materials

August 26-31, 2012

Rodos Palace Convention Center

**Letter of Invitation to Give a Talk and Participate at NANO2012**

**August 11<sup>th</sup>, 2011**

**Dear Colleague,**

It gives me great pleasure and a distinguished honor to invite you to give a talk and participate in the NANO2012 XI International Nanostructured Materials Conference to be held in Rhodes, Greece in August 26-31, 2012. NANO2012 Conference highlights areas of research with the greatest potential to benefit science, industry and society. The overall objectives of the Conference are to provide a vehicle of exchange of ideas, techniques, experiments and applications in the exciting and rapidly developing field of Nanomaterials and Nanotechnologies.

This Conference will identify priority areas in Research and Development that are considered to have the greatest impact. Thus, NANO2012 has been organized as a forum of state-of-the-art discussions in a great number of technical topics which will be covered by several distinguished invited talks and other presentations.

As a leading scientist in the area of Nanomaterials and Nanotechnology, we highly value your participation in this conference. We appreciate if you could let us know your immediate intention to attend at your earliest convenience if you accept our invitation. Please see attached the NANO2012 Conference Call for Papers and a Letter of Invitation.

As part of our effort to provide the scientific-industrial community an insight of the new trends and developments of Nanomaterials and Nanotechnologies, we plan a number of events, workshops, roundtable discussions, and an outstanding scientific and social program. It should be noted, that NANO2012 is also a celebration of twenty years of successful Nanostructured Materials Conferences. Therefore, we are hosting a special commemoration gathering of past and current leading scientists in the Nanostructured Materials Community which will lead to a special e-publication.

The abstract/manuscript submission date is May 1<sup>st</sup>, 2012. The Conference website, [www.nano2012.org](http://www.nano2012.org), displays all pertinent information including registration, accommodation, abstract submission, publications, etc. We are very excited to introduce the official conference

agency, Triaena Congress S.A. Needless to say, we have secured accommodations at the Rodos Palace Convention Center in Rhodes, Greece at very affordable rates. In addition, Triaena Congress, S.A. offers an outstanding social program and traveling arrangements.

We thank you in advance for your kind and favorable response to this invitation and an early reply. If you cannot attend we would be grateful if you could kindly suggest any other persons from your organization to give their perspective. In addition, all correspondence should be directed to the Conference Secretariat:

Georgia Kateriniou  
Triaena Congress S.A.  
206 Syngrou Ave., 176 72 Athens, Greece  
Tel.+30 210 7499318  
Fax. +30 210 7705752
