## Information for Poster Presentations

Thank you for kindly participating in emc2012 by presenting a poster at one of the conference sessions.

### SESSION INFORMATION

An overview of the programme of sessions for emc2012 has now been added to the website  
[CLICK HERE TO VIEW](#)

or go to [www.emc2012.org.uk/conference/programme\\_overview.html](http://www.emc2012.org.uk/conference/programme_overview.html)

Please check the programme to find the day and time of the session to which your poster has been accepted. The poster sessions (when you will present your poster) will correspond with the day of the oral sessions.

There will be poster sessions every day (Monday – Thursday) from 16.00 – 18.00 in the Exhibition Hall at Manchester Central Convention Complex. As a poster presenter you are expected to be present next to your poster between these hours on the same day/s as the oral session takes place.

Posters will be displayed on either Monday (from Monday lunchtime) and Tuesday, or Wednesday and Thursday (with the changeover on Wednesday lunchtime).

### YOUR POSTER

Please go to the poster area in the Exhibition Hall to put up your poster. Your poster should be no greater than A0 in size (1189 x 841 mm) and in Portrait orientation. We will provide poster boards and Velcro will be attached to each poster board but should you not have enough please ask at the Help Desk which will be located in the Poster Display area.

Posters will be listed and numbered in the programme that you receive at registration and you must attach your poster to the corresponding board.

Poster prizes will be awarded each day.

Winning posters will be identified with a sticker, and the winner should collect their prize from the RMS VIP Area at the back of the exhibition hall.

**Please note-** if you originally requested to make an oral presentation but have been accepted as a poster, this is due to the limited in the number of time slots available for oral presentation and to the very large number of contributions we received.
